

**What the what?!!! Are we asking you to think about fall sports? Yes, we are!**

Believe it or not, **LTAA Jr. Vikes Field Hockey** pre-season practice starts on August 20 for grades 2–8. Therefore, the LTAA Commissioners are thinking about fall sports, so we can organize a great experience for you and your kids.

Planning starts with our **August Preseason Boot Camp!** This week of 2-hour clinics is included with your registration fee and is a great way to build skills, game IQ, and have fun with friends. *Please consider these dates, August 20–24, when planning summer camps and family trips.*

**Registration is now open.** We have multiple divisions, so be sure to choose the correct program in the drop-down menu based on the grade your child is entering this fall 2018. Fees include uniforms and socks for grades 2-8 and T-shirts for grades K-1.

<b>Field Hockey Program</b>	<b>Registration Deadline</b>	<b>Registration With Late Fee</b>

For our exiting 8th graders, we'd love to have you as referees for the grades K-4 division. Please contact Coach Cahill (text 908-892-7450) if you are interested in referee work. We will have training and signups in August for all referees. If you would like to coach, please let us know (no experience required). There will be training and signups for coaches in August as well.

We hope you have a successful end to the 2017–18 school year and a wonderful summer!

Best wishes,  
Stephanie Cahill and Kiersten Robbins
