

Lebanon Township Athletic Association  
2016 Soccer Program

- The LTAA is an independent, non-profit, self-supporting organization. ***The major goal of the program is for kids to play, learn and have fun.*** We encourage participation from both children and parents and that all participants and visitors are asked to be respectful of all players, coaches, and referees. Remember we are here ***“Just For The Fun Of It!”***
  
- Cub Scout Pack 92, as a fundraiser for their program, is offering all kinds of food, snacks, and goodies at the snack bar located in the utility barn. They will be staffing the snack bar during all scheduled games during the soccer season. Please support their effort and take advantage of the wonderful treats.***
  
- Please do not litter. Please use trashcans that are around the fields. Each team is responsible for cleaning up their field area after each game. Please bring lost & found items to the utility barn.
  
- Please be on time for practices and games.
  
- Shin guards are MANDATORY for all games and practices. Team shirts must be the outer visible garments during the game. Wear sweatshirt/jacket underneath.
  
- The commissioner will decide whether games will be canceled due to bad weather. The best effort will be made to notify coaches and teams promptly of a cancellation.
